

An Essay on the Veterinary Art: Setting Forth Its Great Usefulness, Giving an Account of the Veterinary Colleges in France and England, and Exhibiting the Facility and Utility of Instituting Similar Schools in

By Peter A Browne

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Essay on the Veterinary Art: Setting Forth Its Great Usefulness, Giving an Account of the Veterinary Colleges in France and England, and Exhibiting the Facility and Utility of Instituting Similar Schools in the United States; To Which Is Added, a Few Hints Upon the Propriety of Conne The word Science in its most comprehensive sense means Knowledge; - in its general acceptation it is Knowledge reduced to a system; that is to say, arranged in regular order, so that it can be conveniently taught, - easily remembered, - and readily applied to useful purposes. An Art is the application of knowledge to some practicable end, - to answer some ornamental or useful purpose. The Arts are divided into fine and the useful. If the knowledge be merely accumulative experience, the art is called empirical; but if the knowledge is experience, guided by reason, - based upon general principles, - and brought under their control, it is a scientific art. Veterinary comprehends a knowledge of the external form as well as the internal structure and...

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

-- Prof. Elliott Dickinson

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
