

Disconnected: Technology Addiction the Search for Authenticity in Virtual Life

By Dr Nicole M Radziwill

Createspace, United States, 2010. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. Bosses: Are you trying to get your employees to stop Facebooking and Twittering, and get back to work? Professors: Are you trying to get your students to understand that there's more to life than social media? This book is one person's attempt to answer an existential question in a lighthearted, fun way: If I disconnect from my virtual life, will I connect more with my REAL one? If your life was spinning out of control, would you take the leap and disconnect? Modern technology helps us stay connected to inexhaustible amounts of information and vast networks of personal contacts through the phone, email, text messages, online chat, Twitter, Facebook, iPhones, Droids and other mobile devices. We are busy people who can be interrupted at any time, and we often invite these interruptions to keep us on top of our game at work - and in the know socially! Though the opportunities that these technologies provide are exciting, the complexity of the intertwined real and virtual lives that many of us have fashioned can have a devastating...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
