Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. There is a strategy CEO s and entrepreneurs use, or should use to manage their time. The book uncovers all the details and secrets for successful life, goals, and strategic planning. Do you spend weeks at a time feeling as if you are running on a hamster wheel in circles, wondering why you don t seem to be getting anywhere? Hamster wheels need preventive maintenance and you need a little break from the wheel for your own health and sanity. Saturday Morning CEO: How two hours a week will guarantee your business and personal success in any economy, written by a proven executive level leader, consultant and college business professor, will take you through the steps necessary for forward growth and success. Saturday Morning CEO will teach you how to take the well organized and measured systems of strategic planning from larger corporations and apply them at your personal level. A weekly strategic planning meeting with yourself is the key to success. However, the elements of that meeting are just as important as having the meeting. As you read this book, you will learn strategic planning methods that have been simplified to be used at a personal level for both business, family, and personal areas of your life. Prioritizing between your business and personal life is key to continued success. While many business and planning books discuss concepts, Saturday Morning CEO lays out the details of the plan so that you can start using the steps for success right away. Saturday morning is commonly a time when you may spend non-work and non-family time in your self-strategy session. However, not everyone is a morning person, nor is Saturday morning the...
