By Richard Florida

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Flight of the Creative Class: The New Global Competition for Talent (New edition), Richard Florida, The most valued workers today are what the economist Richard Florida calls the Creative Class, skilled individuals ranging from money managers to make-up artists, software programmers to steady-cam operators who are in constant demand around the world. Florida's bestselling The Rise of the Creative Class identified these workers as the source of economic revitalization in American cities.
