## INDUSTRIAL EDUCATION: CONSISTING OF AN INVESTIGATION AND REPORT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Industrial Education: Consisting of an Investigation and Report Of the great educational work which the American Federation of Labor has done during the past quarter of a century, the public in general has no conception. Mere statistics are wholly inadequate to convey the value of what has been accomplished. The American Federation of Labor has received special acknowledgment and appreciation for data furnished in response to the ever-increasing requests from educators, statisticians, students, National and State Legislators, and others engaged in the study of sociological problems. It is confidently expected that the next decade will witness further great developments in the application of a sound system of education. The line of progressive industrial education must be constructive. Any system to be of value must also necessarily be one of growth. The adoption of a scheme of education must train up a far more capable and comprehensive body of citizens by emphasizing their position in society as producers, consumers and as men. A general educational policy which will greatly ease the strain of demoralization which so sadly affects the children of the poor. It ought, by giving vocational training, alongside of cultural training, advance them more at the age of sixteen than now obtains at eighteen. Assuming, then, that the social stratification in America is vertical, the problem is to find the highest elevation which any youth's ability will permit him to reach, and to get him to that elevation. Apropos of this problem, the size of which is the length and breadth of America, and because of the interdependence of industrial effort, the American Federation of Labor has undertaken a comprehensive study helpful toward...
