HORNER'S BUFFALO AND NIAGARA FALLS GUIDE: AND ENCYCLOPEDIA OF USEFUL KNOWLEDGE (CLASSIC REPRINT) (PAPERBACK)[DOWNLOAD PDF](#)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Horner's Buffalo and Niagara Falls Guide: And Encyclopedia of Useful Knowledge It is with the most pleasing satisfaction that we present to the public the first edition of 10,000 copies of The Buffalo and Niagara Falls Guide and Encyclopedia of Useful Knowledge. The advertising pages have been filled by the liberal and enterprising business firms of the city, although the effects of the late financial panic are everywhere visible. We have spared neither labor nor expense in making the Guide complete and reliable. The statistical data have been compiled from authentic sources and from books of reference possessed by the best libraries in the country; and thousands at a trifling expense can avail themselves of facts which otherwise would be beyond their reach. The entire work has been copyrighted and stereotyped, and regular editions of 10,000 copies will be published annually, with additional attractions of engravings of churches, public buildings and parks. As the present edition seems inadequate from present appearances to supply the demand, we shall soon issue an extra edition of 5,000 copies. We wish to express our thanks to all our advertisers for their hearty co-operation in this enterprise, and we can assure our readers that they are numbered among the most reliable, enterprising and substantial business houses of Buffalo.
