

The Ethics of Management:

By LaRue T. Hosmer

Mcgraw-Hill Higher Education, 2002. Broschiert. Book Condition: Neu. Gebraucht - Wie neu ungelesen, sehr guter Zustand; unused, very good condition; - Hosmers fourth edition of The Ethics of Management provides business students (future managers) with a very specific analytical process for understanding and resolving moral problems in management. A manager needs insight and understanding in a global economy to convince everyone involved, given his or her varied religious, cultural, economic and social backgrounds, to accept a proposed moral solution. Acceptance of managerial moral solutions, over time, brings trust, commitment and effort, and those three, also over time, are essential for organizational success. . Englisch.

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
