Any texts or devices can easily be cut in this with a knife, and when mounted on flock-paper or other dark background, produce a telling effect with very little trouble. When large devices are Required, the sheets can be joined, and when up, the joints will hardly be noticed. Glue or paste is the best material for mounting the straw tissue with, and a heavy weight should be placed on it till it is dry. Letters and devices can be procured cut out in straw tissue ready for mounting. A greatly improved effect is gained by using this straw tissue in the same way as gilding would be used in permanent decorations, as a ground on which to paint outlines in black or other dark colour. Imitation coral letters can be made in the way described under...
