APPROACHES TO ENGLISH LANGUAGE TEACHING

Discovery Publishing House Pvt. Ltd., 2011. Hardcover. Book Condition: New. ELT is a field of theory and practices that are built on several foundations. Of these the most proximate foundations of ELT have come to be called `Approaches to Teaching English`. This body of information is the theory structure that essentially guides the Teacher of English in his Classroom practices. Teaching English in India has become a complex and multidimensional phenomenon. This calls for a multidimensional rather than a unidimensional approach to ELT. Everything calls for a much deeper comprehension of under currents of ELT by the teacher of English. The present work aims at preparing the teacher for this task.
