I'd never spent a winter in this tiny cabin, hundreds of miles away from anyone, where no roads went. I had a lot of learning to do to survive and fast! The only way back home is the bush plane scheduled to pick me up in the spring or a death-march through the frigid woods for days. What was I thinking in coming here? If anything goes wrong I'll die alone in the bush, frozen before anyone can find me. The story of a man who needs a break in his life and decides to spend the winter at a very isolated cabin alone and what he has to do to survive. A novella of about 30,000 words.
