A TRAGEDY OF ERRORS: THE STORY OF GRACE MURRAY THE WOMAN WHOM JOHN WESLEY LOVED AND LOST

[DOWNLOAD PDF](#)

Tangent Books, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. The story of John Wesley's affair with Grace Murray and how Charles Wesley prevented their marriage by persuading Grace to marry John Bennet, who was one of the key Methodist lay preachers, has long fascinated historians, but most have tended to view John as the victim and been hugely critical of the behaviour and actions of the others involved. Grace has been described as impetuous, imperious, and probably a little unstable and as an uneducated, vain, fickle, selfish and presuming flirt, even though this does not tie in with either John Wesley's or John Bennet's view of her. Bennet has been dismissed as a cheat and a treacherous, unfriendly man, even though Charles Wesley, George Whitefield and other contemporaries consistently praised his character. Charles has been accused of over-reacting to gossip and acting out of personal reasons. It has been alleged, for example, that he wanted John to remain single so he could retain the income his own wife required, and that both he and his wife were too snobbish to want to have Grace as their sister-in-law. All these accusations have tended to obscure rather than clarify what really happened because they either ignore or do not pay enough attention to the fact that John Wesley was just as much to blame for what happened. Today, after decades of relative historical neglect, Grace Murray is beginning to receive more recognition as a strong-willed, capable and dedicated woman worthy of a distinguished place in the annals of early Methodism. What emerges from this study is a remarkable woman - a pioneer female class leader and preacher, who, throughout her life, had to come to terms not only...
