Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We have all been such travellers. We have travelled through space and time and seen the most magnificent sights and beauty along the way. We have been everywhere and done everything, though we have forgotten the brilliance of just how beautiful we are. We have forgotten where we came from, but we will remember this again soon, as we always do. This book is a journey through the galaxies, stars, and dimensions on through the golden ages of Lemuria and Atlantis, journeying with the Angelics and the Galactics, on Native American lands and now onto the new golden age. We are divine, little bright lights, and we have come here from the heart of our Creator to live on Gaia, Great Mother Earth, so that our soul has the opportunity to experience spiritual and physical life, experiencing our connections to the Creator. In the new golden age, we will have the opportunity to bring heaven down to earth once more, as it was in the previous golden ages.
