By Victor D Lopez

Createspace, United States, 2012. Paperback. Book Condition: New. 200 x 128 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This expanded Second Edition contains three new stories in addition to the original short stories that appeared in the first edition published in August of 2011. What really caused the catastrophic failure after the first full-scale test of the Large Hadron Collider? Motivated, ingenious terrorists are about to try their own field experiment to replicate the classified results of the test on a large scale using two suitcase nukes and a modified jetliner in an attack that, if successful, will eradicate all life on earth, destroy our corner of the universe and, in time, give birth to a new addition to the multiverse. If we could communicate with the other sentient, intelligent species with whom we share our planet, what vital lessons might we learn from them and they from us? In a not too distant future in which all human beings on earth are connected and integrated into a single neural net, what price might be exacted for one wishing to opt out? What price would you pay to revisit a crossroad in your life when you...
