Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this follow-up to the first book in the Prophetic Revelation series, How Satan Changed the History and Course of the Church and the Bible, Elaine Graham, Christian prophet and healer, is back with a historical investigation of Israel's relations with Palestine, Syria, Iraq, Iran, and Turkey-and the continuing conflict in that region. The key to understanding the ongoing intermittent conflict between Israel and other Middle Eastern nations lies in prophecy. Israel's history proves God's favor and protection, and today's geopolitical landscape is ready for the fulfillment of many biblical prophecies, including those from the books of Daniel, Isaiah, and Revelation. Israel, once under the heel of Syria, separated from that nation with the supernatural aid of God. Palestine, Israel's heavily Islamic yet struggling neighbor, hates the Jewish community and covets its natural resources. Iraq and Iran have moved and continue to move against Jews and Christians of various lands. Islamic Turkey has persecuted the faithful. Throughout most conflicts between Israel and these neighboring nations, Israel was in communication with God and when under God's leading, Israel has been-and will always be-victorious. We are just one prophetic event away from the pretribulation. Read on to discover how you can assume your role in making history!.
