Balboa Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this inspiring memoir, Octavio E. Malguelro relates about his perception of both social and spiritual growth. The dynamics of using his own vision and luxurious taste for art and culture have allowed him to conceive a brand-new spectrum on life. He strives to be as resourceful as possible with whatever his surroundings offer him; sustainable in every sense. Not only has his passion for design, but also his love in orchestrating from a concept of vision, allowed him to develop human emotions toward the end result of every dream. What you now imagine, feel, and believe will be the reality you create for yourself today. Hope and believe. Have faith, and miracles happen!.
