

Fighter Ace: The Extraordinary Life of Douglas Bader, Battle of Britain Hero

Filesize: 8.45 MB

Reviews

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

FIGHTER ACE: THE EXTRAORDINARY LIFE OF DOUGLAS BADER, BATTLE OF BRITAIN HERO**DOWNLOAD**

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Fighter Ace: The Extraordinary Life of Douglas Bader, Battle of Britain Hero, Dilip Sarkar, THE FIRST BIOGRAPHY TO TRULY SEPARATE FACT FROM MYTH AND LEGEND. The story of Douglas Bader, the RAF fighter pilot who shot down twenty enemy fighters during the Second World War despite having lost both his legs, defies fiction. A fighter ace and highly decorated war hero, he became a household name in the 1950s thanks to the bestselling book and blockbuster film Reach for the Sky which charted his wartime exploits. Indeed, his name remains the one the general public associate most with the Battle of Britain. That he overcame his disability and flew into battle - leading squadrons of Spitfires and Hurricanes in the epic air battle of summer 1940 - is truly remarkable. Bader's first aerial victory - a Messerschmitt 109 - was recorded over Dunkirk on 1 June 1940. During the subsequent Battle of Britain this remarkable airman claimed the destruction of seven more enemy aircraft: Me 110s, Do 17s, Ju 88s and another Me 109 falling to his guns. The legless airman was, of course, rich material for the propagandists, who lost no time in manipulating his exploits to increase Britain's morale. Newspaper reports and radio broadcasts of his aerial victories abounded. Dilip Sarkar has spent over twenty years researching the life and times of Douglas Bader. The result is this book, written in close co-operation with his fellow wartime pilots, which deconstructs the popular myth cemented by wartime propaganda and the 1950s book and film Reach for the Sky.
