This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject American Studies - Culture and Applied Geography, printed single-sided, grade: 1,3, University of Potsdam (Institut für Anglistik und Amerikanistik), course: Jewish-American History and Life , 10 entries in the bibliography, language: English, abstract: It is the aim of the following work to analyze the role of sports in Jewish-American life, mainly concentrating on the time until the end of the World War II. Up to the present day the notion of Jewish culture and tradition emphasizing intellectual accomplishments and the life of the mind and not having place for sport and the physical has been prevalent. The focus will be on the actual participation and achievements as well as attitudes of Jews towards sports and the effects of this field on the integration of Jewish immigrants. The time frame has been limited to the period between the...
