Date :2010-01-01 version 1. Republic of the story. Although the story, but it has nothing to do with Joking, but would like to use the popular, rich in appeal of written records that segment of history. The 500 series brings together the history of the Republic has a profound impact on the major historical events of 500. In the series of rules and layout, try to select a representative of each era or a deep universal significance of certain events to be described, so that it can reflect the development of the Republic of the panorama and context. To make the subject not because of the large empty set, we look at the origins of each major historical events, processes, outcomes, time, place, person, etc. and to seize a little bit small, and strive to transparent. The Republic of the story can be described as a series of books written in red memory, it is for understanding the history of the Republic, the wise leadership of the Communist Party of China and the Chinese people's great practice is essential. At the same time, the series is a universal reading, reading not only for focus groups, but also suitable for all the people in the promotion. I believe it will carry out all the people in our reading activities play a major role in as equip school libraries, Farm House, community halls, library authorities and enterprises and their employees, the focus of the company library and other selected objects. This book is a series of volumes, the sun and rain, the book focuses on free training to start construction of rural surplus labor...
