

## The Word of God at Vatican II: Exploring dei Verbum

By PSS Ronald D. Witherup

Liturgical Press, United States, 2014. Paperback. Book Condition: New. 216 x 147 mm. Language: English . Brand New Book. The Vatican II's Dogmatic Constitution on Divine Revelation is universally acclaimed as one of the council's most important documents. Published in 1965 after a long and circuitous route throughout all four years of the council, *Dei Verbum* sets forth the Catholic Church's official teaching about divine revelation and the complex interrelationship between Scripture and Tradition. With the approach of the fiftieth anniversary of the constitution, this book-intended for general audiences-summarizes the history and principal teaching of this groundbreaking document. Accompanying the text of *The Word of God at Vatican II* is a paragraph-by-paragraph commentary and an exploration of the impact the constitution has had in the church's life. Readers will be amazed at how influential *Dei Verbum* continues to be, even today.

### Reviews

*These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.*

-- **Mr. Dashawn Block MD**

*The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Wilhelm Predovic**
