Ten Ways to Survive the Corporate World

By Leon Gettler

Trafford. Paperback. Condition: New. 182 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Surviving the office world is a big challenge these days. Be prepared. Have fun. There is no such thing as a permanent job anymore. The future of work will be an increasing variety of contractual arrangements between a worker and an employer. We are now seeing the development of many hitherto atypical forms of employment, such as temporary agency work, fixed-term contracts, casual work, civil contracts, zero hour contracts, job sharing, on-call work, telework, and working from remote locations. The twentieth-century employment relationship was based on merging the needs of the manufacturing-oriented economy with mass production, full employment, collective behavior, and strong trade unions. All that has changed. Society is in upheaval, moving towards a knowledge-based economy. As a result, we have seen a progressive increase of individualistic behavior. People have now become brands. Welcome to the age of me. com, where there is a big focus on developing personal brands where people communicate what makes them unique and differentiated. This trend will prompt a clear change in where, when, and how people work. At the same time, it will enable organizations to be more agile and innovative. At...

Reviews

This book is definitely worth buying. This really is for all who statte there had not been a worthy of studying. You will not sense monotony at at any moment of the time (that's what catalogs are for concerning should you check with me).
